Expand Medicaid to childless adults as the ACA allows	Yes
Medicaid Family Planning Waiver or State Plan Amendment (SPA)	No
Medicaid reimbursement for postpartum LARC	Yes
State law/policies that allow pharmacists to prescribe contraception	Yes
State law/policies to extend the supply of prescription contraceptives	Yes
State law/policies to educate college students about unplanned pregnancy	No
State laws/policies to protect contraceptive coverage	No
Other state laws/policies/initiatives to increase contraceptive access	-

Funding Streams for Teen and Unplanned Pregnancy Prevention <sup>ii</sup>	Current Annual Funding Level
Personal Responsibility Education Funding (PREP) <sup>1</sup>	
State PREP (if state opted to receive formula grant)	\$250,000
Competitive PREP grants awarded in the state (if state opted not to receive PREP formula grant)	-
Tribal PREP	-
Personal Responsibility Education Innovative Strategies (PREIS)	-
Teen Pregnancy Prevention (TPP) Program <sup>1, 2</sup>	\$1,493,000
Pregnancy Assistance Fund (PAF)	-
Title V State Sexual Risk Avoidance Education (if state opted to receive)	
Title V Competitive Sexual Risk Avoidance Education	\$156,815
Sexual Risk Avoidance Education Program <sup>3</sup>	-
Title X Family Planning Program	\$2,000,000 <sup>iv</sup>

State Stats <sup>iii</sup>
71,210 women in need of publicly funded contraception live in contraceptive deserts
Of these women, 3,180 live in counties without a single health center that provides the full range of birth control methods <sup>iv</sup>
24% births are funded by Medicaid, as of 2010

<sup>1</sup> Evidence-based education programs

<sup>2</sup> This may include multi-state grants and/or grants awarded to an organization in another state that benefit youth in HI.

<sup>3</sup> Replaced the Competitive Abstinence Education Program beginning in FY 2016.

## **FEDERAL TEEN PREGNANCY PREVENTION GRANTS<sup>4</sup>**

### ***Current Grants***

#### **Title V Competitive Sexual Risk Avoidance Education Grants**

##### **FY 2019**

Public Education Advocates for Christian Equality – Honolulu

\$156,815

#### **State Personal Responsibility Education Program (PREP)**

##### **FY 2019**

Hawaii Department of Health

\$250,000

The Hawaii State Department of Health is using PREP funds for community-based programming in Hawaii County. Programming targets youth ages 14–17 who have a low economic status or live in areas with high rates of teen pregnancy or high populations of Native Hawaiians, Filipinos, Asians, and Pacific Islanders.

#### **Teen Pregnancy Prevention (TPP) Program —Tier 1 (Phase 1)**

##### **FY 2019 – FY 2020**

Keiki o ka ‘Āina Preschool, Inc. – Honolulu, HI

\$493,000

Keiki o ka ‘Āina Preschool, Inc. (KOKA), will work with 500 Native Hawaiian youth annually on the Island of Oahu for two years. The project will utilize the 17 elements of effective risk reduction programs established by experts Kirby, Rolleri, and Wilson. KOKA has chosen this strategy because of its broad application to a diverse adolescent population, many of whom are sexually-experienced. KOKA will implement the Love Notes Sexual Risk Avoidance (SRA) curriculum to participants to address the problem of unintended pregnancy among Native Hawaiian youth through the Hoohiki pilina Project, which means to develop relationships in Native Hawaiian. Hoohiki pilina aims to broaden the understanding of what elements, components, and factors are important to the success of the Love Notes (SRA) program in primarily indigenous population.

#### **Teen Pregnancy Prevention (TPP) Program — Tier 2**

##### **FY 2015 – FY 2019**

Planned Parenthood of the Great Northwest - Seattle, WA

Program models: Linking Families and Teens (LiFT)

\$1,000,000

Planned Parenthood of the Great Northwest and the Hawaiian Islands (PPGNW) intends to reduce teen pregnancy rates, increase use of contraceptives, and delay initiation of sexual activity among rural, 9-12th grade youth by increasing parent-child connectedness, and increasing youth's self-efficacy, knowledge, and skill related to sexual health and pregnancy prevention in Washington, Idaho, Oregon, Utah, Alaska, and **Hawaii**. To achieve this goal, PPGNW implements LiFT, a program designed specifically for rural communities that brings 9-12th grade youth and their parenting adult together to share family values, strengthen family bonds, and talk about healthy relationships and sexual health.

---

<sup>4</sup> Federal teen pregnancy prevention grants are listed as annual amounts, unless otherwise noted.

## *Prior Grants*

### **Competitive Abstinence Education Grant Program FY 2014**

Hawaii Youth Services Network - Honolulu, HI  
\$429,322 (to be spent through FY 2015)

### **Teen Pregnancy Prevention (TPP) Program FY 2010 – FY 2014**

Tier 1

Hawaii Youth Services Network - Honolulu, HI \$999,999

Tier 2

University of Hawaii - Honolulu, HI \$969,936

## **TITLE X FAMILY PLANNING SERVICES IN HAWAII <sup>iv</sup>**

- Title X–supported centers provided contraceptive care to 14,101 women in Hawaii in 2018.<sup>5</sup>
- Services in Title X-supported centers helped women avoid 4,400 unintended pregnancies, which would have resulted in 2,100 births and 1,600 abortions.
- By preventing sexually transmitted diseases, cervical cancer, and unplanned pregnancies, Title X-supported centers in Hawaii saved \$48.4 million in public funds in a single year.
- From FY 2010 to FY 2017, the amount of federal funding Hawaii received for Title X increased by \$588,921. The number of patients served declined by 6,378 (27%) patients during that time.
- In 2017, 37 clinics in Hawaii received support from Title X. They included federally qualified health centers (25), hospitals (5), university-based health centers (4), Planned Parenthood clinics (2), and other service sites (1).
