## **FEDERAL TEEN PREGNANCY PREVENTION GRANTS<sup>4</sup>**

### ***Current Grants***

#### **State Personal Responsibility Education Program (PREP)**

Michigan Department of Health and Human Services

\$1,582,554

Michigan's PREP program serves youth ages 12 to 19 at 63 sites in high-need cities implementing the following evidence-based curricula: Teen Outreach Program, Be Proud! Be Responsible!, Safer Choices, and Michigan Model-Healthy and Responsible Relationships. The program serves African-American youth, youth in foster care or the juvenile justice system, and gender and sexual minority youth.

#### **Personal Responsibility Education Innovative Strategies (PREIS)**

**FY 2016 – FY 2020**

Alternatives for Girls - Detroit, MI

\$852,022

#### **Tribal PREP**

**FY 2016 – FY 2020**

Inter-Tribal Council of Michigan, Inc.

\$382,154

The Inter-Tribal Council of Michigan's PREP program serves more than 300 tribal youth age 10 to 19 annually, from six Michigan Tribal communities within a 26 county target area. The program implements the Making Proud Choices curriculum.

#### **Title V State Sexual Risk Avoidance Education Grant**

**FY 2019**

Michigan Department of Community Health

\$1,914,492

Michigan's Department of Community Health makes sub-grants to local public and private entities to provide abstinence education programming to youth in select counties. The state also uses a portion of its State Abstinence Education Grant to support a statewide media campaign.

Kent Intermediate School District – Grand Rapids, MI

\$375,000

---

<sup>4</sup> Federal teen pregnancy prevention grants are listed as annual amounts, unless otherwise noted.

Kent Intermediate School District will build on existing efforts of the special education Sexual Risk Avoidance Education initiative by evaluating the implementation of SkillFlix, a skill-building online video library, to engage parents and caregivers of cognitively-impaired students in the delivery of sexual health education. SkillFlix will increase family protective factors by engaging adults in what their child is learning in the classroom through the provision of online video modules that are designed to increase parent knowledge of sexual health. The skill-building videos will also seek to increase parents' and caregivers' confidence in their ability to communicate with youth about both the risks of teen sex and the strategies to achieve optimal health.

**Teen Pregnancy Prevention (TPP) Program — Tier 2  
FY 2015 – FY 2019**

Policy and Research, LLC - New Orleans, LA  
\$808,386

Policy and Research, LLC intends to implement and monitor a high-quality rigorous evaluation of the *Practice Self-Regulation* (PS-R) intervention. PS-R is designed for youth age 14-19 who have experienced trauma and are receiving outpatient counseling services. It is composed of 10 structured, one-on-one therapy-education sessions delivered by a therapist over a 16-week period and is intended to promote optimal sexual decision-making within the context of individual therapy. The study will take place at multiple outpatient clinics that serve youth age 14-19 in Albuquerque, NM and **Adrian, MI**. Starting in July 2016 and continuing for two years, 600 participants will be enrolled into the study at partner clinics. The third and fourth years of the grant will be used to complete the following tasks: collect follow-up data from study participants; conduct implementation and impact evaluation analysis, reporting, and dissemination efforts; and finalize a complete electronic package of the implementation-ready intervention.

## TITLE X FAMILY PLANNING SERVICES IN MICHIGAN<sup>iv</sup>

- Title X–supported centers provided contraceptive care to 54,981 women in Michigan in 2018.<sup>5</sup>
- Services at Title X-supported centers helped women avoid 18,700 unintended pregnancies, which would have resulted in 9,100 births and 6,700 abortions.
- By preventing sexually transmitted diseases, cervical cancer, and unplanned pregnancies, Title X-supported centers in Michigan saved \$158.7 million in public funds in a single year.
- From FY 2010 to FY 2017, the amount of federal funding Michigan received for Title X decreased by \$331,314, resulting in 47,873 fewer (42%) patients served.
- In 2017, prior to the new Title X rule, 90 clinics in Michigan received support from Title X. They included health department clinics (71) and Planned Parenthood clinics (19).
- In August 2019, the new Title X rule went into effect, forcing some of Michigan’s Title X clinics to exit the program.
