For more information on all of these programs, see [Federal Funding Streams at a Glance](#).

Notes:

- β Title X received \$50 million dollars in supplemental funding as part of the American Rescue Plan (P.L. 117-2), not tied to the fiscal year, to be available until expended.
- ^ A three-year extension of funding for these mandatory funding streams was attached to a bipartisan, bicameral appropriations deal to fund the government through the rest of FY2021.
- * President Biden's FY 2024 budget proposal included a one-year extension of PREP. It did not include an Extension of Title V SRAE.
