<sup>1</sup> Evidence-based education programs

<sup>2</sup> This may include multi-state grants and/or grants awarded to an organization in another state that benefit youth in MI

<sup>3</sup> Replaced the Competitive Abstinence Education Program beginning in FY 2016

## **FEDERAL TEEN PREGNANCY PREVENTION GRANTS<sup>4</sup>**

### **State Personal Responsibility Education Program (PREP)**

Michigan Department of Community Health

\$1,493,165

The Michigan Department of Community Health operates the state PREP grant program, called Taking Pride In Prevention (TPIP). It provides funding to local public and private entities to implement evidence-based teen pregnancy prevention programs. The program focuses on African-American youth, youth who reside in the city of Detroit or in other cities with high numbers of teen births.

### **Personal Responsibility Education Innovative Strategies (PREIS)**

#### **FY 2016 – FY 2020**

Alternatives for Girls - Detroit, MI

\$852,022

### **Tribal PREP**

#### **FY 2016 – FY 2020**

Inter-Tribal Council of Michigan, Inc.           \$382,154

The Inter-Tribal Council of Michigan's PREP program serves more than 300 tribal youth age 10 to 19 annually, from six Michigan Tribal communities within a 26 county target area. The program implements the Making Proud Choices curriculum.

#### **FY 2011 – FY 2015**

Inter-Tribal Council of Michigan, Inc.           \$204,265

### **Title V State Sexual Risk Avoidance Education Grant**

Michigan Department of Community Health

\$2,358,903

Michigan's Department of Community Health makes sub-grants to local public and private entities to provide abstinence education programming to youth in select counties. The state also uses a portion of its State Abstinence Education Grant to support a statewide media campaign.

### **Sexual Risk Avoidance Education Program Grant**

#### **FY 2016 – FY 2018**

Teen HYPE Youth Development Program - Detroit, MI

\$547,365

The Yunion, Inc. - Detroit, MI

\$548,104

Bethany Christian Services - Grand Rapids, MI

\$547,555

Kent Intermediate School District - Grand Rapids, MI

\$529,476

---

<sup>4</sup> Federal teen pregnancy prevention grants are listed as annual amounts, unless otherwise noted. State PREP, Tribal PREP, and Title V State/Competitive Sexual Risk Avoidance grant amounts, where applicable, reflect the most recent annual award.

**Competitive Abstinence Education Grant Program  
FY 2014**

Bethany Christian Services - Grand Rapids, MI  
\$496,244 (to be spent through FY 2015)

**FY 2012**

Bethany Christian Services - Grand Rapids, MI  
\$649,342 (to be spent through FY 2013)

**Teen Pregnancy Prevention (TPP) Program — Tier 2  
FY 2018 – FY 2019**

Kent Intermediate School District – Grand Rapids, MI  
\$375,000

Kent Intermediate School District will build on existing efforts of the special education Sexual Risk Avoidance Education initiative by evaluating the implementation of SkillFlix, a skill-building online video library, to engage parents and caregivers of cognitively-impaired students in the delivery of sexual health education. SkillFlix will increase family protective factors by engaging adults in what their child is learning in the classroom through the provision of online video modules that are designed to increase parent knowledge of sexual health. The skill-building videos will also seek to increase parents' and caregivers' confidence in their ability to communicate with youth about both the risks of teen sex and the strategies to achieve optimal health.

**Teen Pregnancy Prevention (TPP) Program — Tier 2  
FY 2015 – FY 2019**

Policy and Research, LLC - New Orleans, LA  
\$808,386

Policy and Research, LLC intends to implement and monitor a high-quality rigorous evaluation of the *Practice Self-Regulation* (PS-R) intervention. PS-R is designed for youth age 14-19 who have experienced trauma and are receiving outpatient counseling services. It is composed of 10 structured, one-on-one therapy-education sessions delivered by a therapist over a 16-week period and is intended to promote optimal sexual decision-making within the context of individual therapy. The study will take place at multiple outpatient clinics that serve youth age 14-19 in Albuquerque, NM and **Adrian, MI**. Starting in July 2016 and continuing for two years, 600 participants will be enrolled into the study at partner clinics. The third and fourth years of the grant will be used to complete the following tasks: collect follow-up data from study participants; conduct implementation and impact evaluation analysis, reporting, and dissemination efforts; and finalize a complete electronic package of the implementation-ready intervention.

**Teen Pregnancy Prevention (TPP) Program — Capacity Building Assistance  
FY 2016**

Regents of the University of Michigan - Ann Arbor, MI  
\$567,117

Regents of the University of Michigan is one of five organizations that received funding to collaborate and provide TPP Program Tier 1 and 2 grantees with capacity building assistance and support, to continue to reduce rates of teen pregnancy and eliminate existing disparities in communities throughout the country, with a focus on linkages and referrals to youth-friendly health care services.

**Teen Pregnancy Prevention (TPP) Program — Tier 1  
FY 2010 – FY 2014**

Teen HYPE Youth Development Program - Detroit, MI

Program model: *Children's Aid Society - Carrera Adolescent Pregnancy Prevention Program*  
\$588,981

Teen HYPE, a minority run and directed non-profit, will implement *Children's Aid Society - Carrera Adolescent Pregnancy Prevention Program* with 60 African American youth in Detroit at the organization's community-based site. Teen HYPE will partner with the CAS-Carrera National Training Center for this project. Currently, one in five Detroit births is to a teenager. The primary goal for this project is to help young people in Detroit to develop capacity and desire to avoid teen pregnancy.

YMCA of Metropolitan Detroit - Detroit, MI

Program model: *Making a Difference!*  
\$981,856

The YMCA of Metropolitan Detroit will implement the program model *Making a Difference!* to address the need for teen pregnancy prevention and STI prevention for youth ages 11-14 in Wayne, Macomb, and Oakland Counties. *Making a Difference!* will be offered within the YMCA's Sexual Wellness and Information for Teens program during the school year at public, charter, and parochial schools (14 schools total) throughout the tri-county area. Approximately 10,000 youth will be served over the five-year project. During the summer months, the program will be offered to youth via YMCA branches and other youth-serving organizations. Incarcerated youth at two detention centers will also be served through this project. The overarching goals of this project are to delay the onset of sexual activity of youth, reduce the number of youth who participate in sexual activity, and reduce the number of STDs, including HIV/AIDS, and teenage pregnancies in the Metropolitan Detroit area.

**Pregnancy Assistance Fund**

**FY 2018**

Michigan Department of Health and Human Services - Lansing, MI  
\$970,000

Settings: High Schools, Community Service Centers, Institutes of Higher Education

**FY 2017**

Michigan Department of Health and Human Services - Lansing, MI

Settings: Institutes of Higher Education, High Schools, Community Service Centers, Alternate Settings (Juvenile detention centers)

\$1,360,940

**FY 2010 – FY 2013**

Inter-Tribal Council of Michigan, Inc. - Sault Sainte Marie, MI  
\$500,000

Settings: Bay Mills Indian Community, Hannahville Indian Community, Keweenaw Bay Indian Community, Lac Vieux Desert Band of Chippewa Indians, Little Traverse Bay Bands of Odawa, Match-E-Be-Nash-She-Wish Gun Lake Tribe, Nottawaseppi Huron Band of Potawatomi, Saginaw Chippewa Tribe, and the urban Indian community in Grand Rapids and Detroit Program Categories: High schools/Community Service Centers; Public Awareness and Education

## TITLE X FAMILY PLANNING SERVICES IN MICHIGAN

- Title X–supported centers provided contraceptive care to 77,340 women in Michigan in 2014.<sup>5</sup> These services helped women avoid 18,700 unintended pregnancies, which would have resulted in 9,100 births and 6,700 abortions.
- In the absence of publicly-funded family planning services, the number of unintended pregnancies and abortions in Michigan would be 27% higher.<sup>6</sup>
- By preventing sexually transmitted diseases, cervical cancer, and unplanned pregnancies, Title X-supported centers in Michigan saved \$158.7 million in public funds in 2010.
- From FY 2010 to FY 2017, the amount of federal funding Michigan received for Title X decreased by \$331,314, resulting in 47,873 fewer (42%) patients served.
- In 2017, 90 clinics in Michigan received support from Title X. They included health department clinics (71) and Planned Parenthood clinics (19).

***About Power to Decide:*** *Power to Decide, the campaign to prevent unplanned pregnancy, works to ensure that every young person has the power to decide if, when, and under what circumstances to get pregnant and have a child—increasing their opportunity to pursue the future they want. Join us at [PowerToDecide.org](http://PowerToDecide.org).*

---

<sup>5</sup> “Title X-supported centers” are supported by a mix of funding sources (in addition to Title X funding) including Medicaid, funding from state and local governments, private grants and fundraising, reimbursement from commercial insurance, patient fees, and federal grants.

<sup>6</sup> “Publicly-funded family planning services” refers to all public funding sources that support family planning services, including Medicaid, Title X, and other state and federal resources.
